<sup>+</sup>Currently, only the initiative petition form, DS-DE 19 (eff. 05/2014) includes a change-of-address box. **NOTE:** Since 2011, a registered voter may change his or her address (within or from county-to-county) either by telephone or electronic means (e.g., e-mail or fax either of which must include date of birth) (s. 97.1031, F.S.), or by voter registration application or *other signed written notice* (s. 97.1031, F.S.), provided the change is made directly to the Supervisor of Elections' office corresponding to the new address of residence. Therefore, a candidate or initiative petition could serve as a signed written notice to request address change if the voter indicates such on the petition. If the address change is submitted to any other SOE/voter registration official office other than the voter's current SOE, the address change has to be submitted using a voter registration application.
