TABULATION OF VOTES/RESULTS: It may be that your voting system will still record the votes that may be cast for the withdrawn or disqualified candidate or the removed public measure on the ballot. These votes cast should not be reported or published except to the extent that they are to count for a replacement candidate. These votes are otherwise invalid and are not part of the unofficial or official election results. Moreover, these votes should not be counted for purposes of determining whether a recount or a run-off is triggered.

RESULTS TAPE: Post the results tape (as you are required) in the polling place after polls are closed.

- **Do not** redact or otherwise black out the withdrawn or disqualified name or results on the results tape (it is recorded and public). You may post an explanatory note on the fact that the candidate withdrew or was disqualified or the issue was removed from the ballot.
- **Do not** publish those results anywhere else as there is no need.
- **Do not** include or submit the withdrawn/disqualified candidate or removed ballot issue results in any unofficial or official results to the Division.

PUBLIC RECORDS: Although the tabulated votes are not made a part of the unofficial or official election results submitted to the Department of State, if they are recorded, they are still public record. Therefore, if someone wants to see what was recorded, they will have to be provided upon request.
