

Florida Fish and Wildlife Conservation Commission

Good morning,

You have been identified as a contact for the Division and county Supervisor of Elections offices for FL Voter Registration information, collected by the Florida Fish and Wildlife Conservation Commission (FWC). Previously this information was accessible via FileZilla, but that has changed due to FWC releasing a new licensing system. The Voter Registration data will now be available as a report in our new GoOutdoorsFlorida licensing system. Attached are instructions on how to use the new Voter Registration report.

Over the next few days, we will be setting up your user accounts. You will receive an email including your username. Once the email is received, you have 72 hours to access your account and set your password. When logging in, you will be required to enter your agent ID, username, and password. The agent ID is **930004**.

If you have any trouble logging in, please reach out to the Help Desk at (855) 779-5907.

Thank you,

Office of Licensing and Permitting

Florida Fish and Wildlife Conservation Commission
